Hello all.

Selling for my lanlord because he has no patience.

Plus I know more than he does.

Long and short, decent truck runs good, a lot of new parts, including a Brand new Garret Turbo, and oil cooler from Rockdale Ford, and new radiator.

Super low miles, 159,729. Great work truck.
It is a 6.0 and has been Bulletproofed.
Tranny is rock solid and shifts everytime.

He does not need it and I dont care much for diesels.

Truck runs, drives, Tagged, and Clean TX Title.

Come a
